

# Economics Major

*Seven Requirements to Earn Your Degree!*

**Requirements 6 – 7**  
complete the Major:

**Requirements 1 – 3**  
should be completed by  
*end of Sophomore Year.*

**1. EC 201 AND EC 202**

EC 201 highly recommended before EC 202

**2. Math 241\* AND Math 242\***

Prerequisite for Math 241: Math 111

Prerequisite for Math 242: Math 241

*Math 251, 252 are equivalent to Math 241, 242*

**3. Math 243\***

Prerequisite: Math 111

**Requirements 4 – 5**  
should be completed by  
*end of Junior Year*

Intermediate Economics:

**4. EC 311\* AND EC 313\***

Prerequisites for EC 311: EC 201, Math 111

Prerequisites for EC 313: EC 202, Math 111

*FIN 311 (or EC 411) are equivalent to EC 311*

Econometrics:

**5. EC 320\* AND EC 421\***

Prerequisites for EC 320: Math 242 and Math 243

Prerequisites for EC 421: EC 320

**6. 28 additional credits in economics courses numbered 300 or above, with at least 20 credits in courses numbered 400 or above.** Prerequisite for all 400-level courses: EC 320 or EC 423

a. 12 of the credits must be taken at the University of Oregon

b. **No more** than 8 of the 28 credits may be in courses numbered EC 401, EC 404, EC 405, or EC 407

**7. Grades of C- or better in courses taken to satisfy the major requirements**

## Graduate School Preparation

*\* Students interested in graduate work in Economics or who wish to pursue an advanced track of study can make any or all of the substitutions to the standard requirements, including the Graduate Preparation concentration.*

*Instead of:*

Math 241 & Math 242

EC 311 & EC 313

Math 243, EC 320 & EC 421

*Take:*

**Math 251 & Math 252**

**EC 411 & EC 413**

**EC 423 & EC 424**

*Prerequisites for:*

EC 411: one from Math 253, Math 263

EC 413: one from Math 253, Math 263

EC 423: Math 281, Math 341

(Math 282, Math 461 strongly recommended)

EC 424: EC 423

## Professional Concentrations

*Concentrations are neither required nor noted on official transcripts or diplomas.*

• Graduate Preparation in Economics and Mathematical Economics:

1. Complete major requirements including:

a. Advanced Microeconomics Theory (EC 411);

Advanced Macroeconomics Theory (EC 413)

b. Calculus I, II (Math 251, 252)

c. Econometrics (EC 423, 424, 425)

d. Games and Decisions (EC 427); Behavioral and Experimental Economics (EC 428)

2. Complete a minor in mathematics

## Additional Professional Concentrations

*Concentrations are neither required nor noted on official transcripts or diplomas.*

• Business Economics - Banking and Finance

• Business Economics - Management, Marketing, and Accounting

• Economics and Public Policy and Administration

• Environmental Economics

• International and Development Economics

• Law and Economics and Political Economy

**visit our website for details on each type of concentration**

# Economics Minor

*Four Requirements to Earn Your Minor!*

1. Introduction to Economics Analysis  
EC 201 and EC 202
2. Intermediate Economics Analysis  
EC 311 and EC 313  
*FIN 311 (or EC 411) are equivalent to EC 311*
3. Two additional 4-credit upper division Economics courses. Courses not applicable to this minor: EC 401, EC 404, EC 405, and EC 407
4. All courses taken for the minor must be completed with a grade of C- or better; two of the four upper division courses must be taken at UO

*\*\*\*Please note: students with transfer credits in these required courses may have to complete more than the 6 courses to satisfy the minor as there is a minimum 24 credits required to earn a minor at the University of Oregon. See your economics advisor for more details.*

## Declare your Economics major or minor today!

Fill out the online form:

- Go to [economics.uoregon.edu](http://economics.uoregon.edu)
- click on the **Undergraduate** tab
- select **Declare your Major/ Minor**
- complete form and **Submit!**
