

HIST 470: SLAVERY IN US HISTORY

“By acknowledging this shameful history, by trying hard to understand its powerful influence on the present, perhaps we can prepare ourselves for a more just future.”

~Nikole Hannah-Jones, 1619 Project

KEY TOPICS

- The origins of slavery and the slave trade
- The evolution of race and racism
- Communities and cultures of the enslaved
- Acts of resistance, evasion, and rebellion
- Racial slavery and capitalism in US history

Prof. Brett Rushforth
Summer Session 3: Aug. 16 - Sept. 12
